Objectives and Activities

a. POLICIES AND OBJECTIVES

Dundee United Community Trust are recognised as a key player in the local community. We deliver a vast array of projects across our four pillars of activity:

Sport - Providing sport for all and increasing participation levels

Health & Wellbeing - Helping the inactive to become active and helping the active remain active

Education - Improving engagement and increasing attainment and achievement

Inclusion and Equality - Engaging the entire community and providing equality of opportunity

Achievements and performance

a. REVIEW OF ACTIVITIES

The results for the year are set out in the attached financial statements. The company has worked towards their objectives during the year and has received several donations which will be utilised to support those as referred to in their governing document.

The Charity has grown significantly in the year 2017-2018. An additional 2 full-time staff members were appointed in 2017-2018. We appointed our first projects assistant in July 2017 thanks to funding received from Robertson Trust, Gannochy Foundation and Alexander Moncur Trust. The Trust also appointed a full-time coach in December 2017 to support the ongoing delivery of our activities. We continued to employ the community coaching manager (transferred as part of the transfer of activity from Dundee United Football Club), thus taking out full-time staff headcount to 4.

The Walking Sports Club project continued to evolve, with a second weekly football session taking place and the continuation of weekly netball activity. By April 2018 we had engaged 75 men and women over the age of 50 in regular physical activity.

Our education programmes continued to grow in 2017-2018. Ongoing support from Dundee Partnership by way of grant funding saw our "homework club" project continue to engage around 100 local primary school children. A local school also took up the project using their pupil equity funding, taking our deliveries over the year from 4-5. We also piloted a breakfast club in 3 local schools thanks to funding received from the Pupil Equity Fund at each of the respective schools. This area is a key priority for the charity moving forward. We

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 30 APRIL 2018

finally piloted a reading challenge with funding from the SPFL Trust, being part of the National Launch for this was a particular highlight.

Following the transfer of the community programme from Dundee United Football Club, the Trust became responsible for a number of existing projects including:

- Football Fans in Training Grant funded health and wellbeing training supported by the SPFL Trust
- J League Ongoing weekly football coaching sessions which is paid for by participants
- School Coaching Weekly ongoing football coaching activity in local schools, paid for by participants
- CLD United Youth diversionary activity, funded by Dundee City Council
- Still Game Weekly social activities club for over 65s, funded in 2017-2018 by Dundee City Council, People's Health Trust, and George and Grace Thomson Trust.
- Amputee Football Football activity for those with an amputation
- Holiday Camps Football activity in partnership with Leisure and Culture Dundee and Dundee Football Club.

In addition to continuing existing football and social projects started by the football club and inherited during the transfer of activity, we also commenced girls only football and continued to support Dundee United Women's FC.

Financial review

a. GOING CONCERN

After making appropriate enquiries, the trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

b. RESERVES POLICY

The financial results of the company are set out in the financial statements. Unrestricted funds held at 30 April 2018 amounted to £30,732 (2017 - £14,518). Restricted funds held at 30 April 2018 amounted to £45,468 (2017 - £16,165).

The reserves policy of the company is to hold around 6 months of the annual budgeted unrestricted expenditure. These reserves are needed in the event of unexpected costs or reduced income. As the charity grows this level will be reviewed and increased.

The Trustees (who are also directors of Dundee United Community Trust for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. I report on the financial statements of the company for the year ended 30 April 2018 which are set out on pages 8 to 22.

This report is made solely to the company's Trustees, as a body, in accordance with regulation 11 of the Charities Accounts (Scotland) Regulations 2006. My work has been undertaken so that I might state to the company's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's Trustees as a body, for my work or for this report.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The Trustees, who are also the directors of the company for the purposes of company law, are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 (the Act) and the Charities Accounts (Scotland) Regulations 2006 (the Accounts Regulations). The Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the financial statements as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with regulation 11 of the Accounts Regulations. An examination includes a review of the accounting records kept by the company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

INDEPENDENT EXAMINER'S REPORT (continued) FOR THE YEAR ENDED 30 APRIL 2018

INDEPENDENT EXAMINER'S STATEMENT

In the course of my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and regulation 4 of the Accounts Regulations; and
 - to prepare financial statements which accord with the accounting records, Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard in the UK and Republic of Ireland (FRS 102) and in other respects comply with regulation 8 of the Accounts Regulations

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2018

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Dundee United Community Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

Dundee United Community Trust's registered office is Dundee United Football Club, Tannadice Park, Tannadice Street, Dundee, DD3 7JW.

The financial statements are presented in sterling which is the functional currency of the company and rounded to the nearest pound.

1.2 Company status

The company is a company limited by guarantee, incorporated in Scotland within the United Kingdom (company number SC342235). The members of the company are the Trustees named on page 1. In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

1.3 Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2018

1. ACCOUNTING POLICIES (continued)

1.4 Income

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the company is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the company has been notified of the executor's intention to make a distribution. Where legacies have been notified to the company, or the company is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Donated services or facilities are recognised when the company has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the company of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time of the Friends is not recognised and refer to the Trustees' Report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the company which is the amount the company would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Dundee United Football Club donates premises and facilities at the GA arena. They also provide office facilities and the surrounding costs. The value of this is based on the cost of buying similar accomodation in the City of Dundee.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2018

1. ACCOUNTING POLICIES (continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

Charitable activities and Governance costs are costs incurred on the company's educational operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

1.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

1.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.8 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2018

1. ACCOUNTING POLICIES (continued)

1.10 Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.11 Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year.

1.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.
